13th October 2023

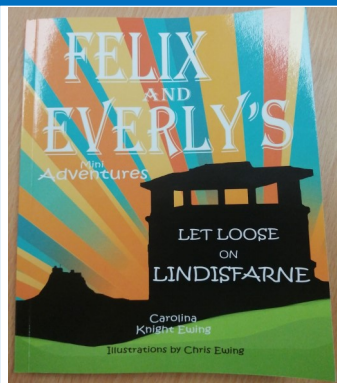

Class 1 followed up on their nature walk about Lowick last week by making links to their new book in English - 'We're going to find a monster'. They have created individual maps of their own planned search for a monster and also made their own little monsters. The natural materials collected on their walk and also found by older children at forest school were used to make decorations for Lowick and Holy Island churches to celebrate Harvest. We were disappointed that our trip to the Berwick Literary Festival was postponed, but we look forward to rearranging this for our years 1 & 2 children in the near future.

After School Club

For art club this week the children enjoyed making dinosaur balloons.

Let Loose on Lindisfarne - new book for our library

We are so excited and pleased that Carolina (Knight Ewing) has donated a copy of her latest children's book - 'Let Loose on Lindisfarne' - to our school library. This one is particularly special as the children from school have their illustrations about what makes Holy Island special included in the book. (but don't worry - Chris still has his excellent illustrations in the book as well!)

Bananas

Your child will have some bananas to bring home as we were kindly donated some and we have plenty extra to take away!

DONATE FOOD HERE

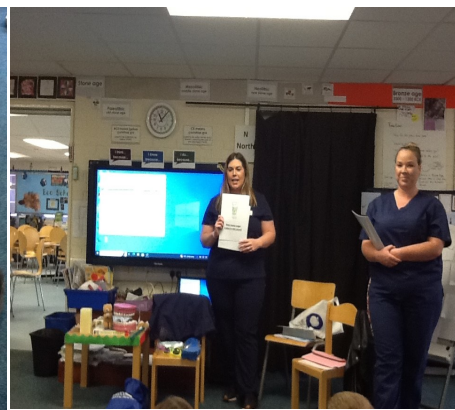

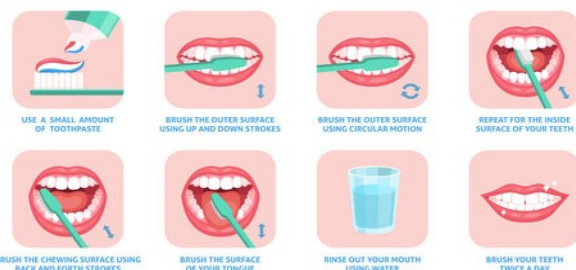

We are looking forward to our **Harvest Festival** service at **St Mary's church on Holy Island on Monday (16th October) at 10.30am. You are all very welcome to join us.** We hope you will be able to come and see the children sharing their readings and singing the songs they have been practising.

We will have a box at school in the morning for any donations to the food bank for the Harvest Festival which we will take to the church with us.

Keeping our teeth nice and clean!

We were delighted to welcome Liann and Tanya from Brucegate Dental Practice in Berwick into school this week. They worked with all the children, including nursery children. The children enjoyed brushing their models' teeth, learning about good dental hygiene and the types of food and drinks that contain a lot of sugar! The school will be sending home a free toothbrush and toothpaste (hopefully next week) for all the children in school.

HOW TO BRUSH YOUR TEETH

Monday 16th October - we will be celebrating our **Harvest Festival** at St Mary's church on Holy Island at 10.30am - **everyone is very welcome** to join us! As usual, **we welcome donations for the foodbank** at this time of year - processed food (tins and dry food) and child and adult hygiene products are what the foodbanks are recommending.

Monday 23rd October - Kirtida from the Hindu Centre in Newcastle will be visiting us to share Hindu stories, music and culture with the children.

Tuesday 24th October - bikeability for years 3 and 4 children in the morning. Please see the separate letter.

Half term - one week holiday Week beginning Monday 30th October.

Thursday 9th November - main school trip to the Discovery Museum in Newcastle for workshops on the Great Fire of London and the Great Fire of Newcastle and Gateshead.

Friday 10th November - Remembrance worship - we usually do this at the war memorial in the village. More information will be available nearer the time.

Monday 20th November - STEM Day (Science, technology, engineering and maths). We are looking forward to our STEM day this term. We have invited 'Professor Brainstorm' to come to Lowick and deliver two of his exciting workshops - the 'Magical Science Show' and the 'Mission to Mars' workshops. It should be educational, fun and inspiring.

Friday 24th November - our Winter Fair after school 3.30pm - 5pm at Lowick school - come and get your Christmas shopping sorted!

Dates for the Diary:
