Friday 10th October 2025

This week we have enjoyed lots of practical learning. In geography Class 1 have been making an aerial view of our school area and thinking about their route to get to school. Class 2 have been working with grid references on maps. In RE we have continued our learning theme of Islam and had an RE afternoon thinking about Islamic art and how this reflects Islamic culture and values as well as having a go at re-creating our own Islamic art patterns on pizzas (with symmetry and geometric designs) using tomato, cheese, sweetcorn, mushroom, pineapple and peppers!

On Wednesday in music Class 2 performed the school song they have been composing. Class 1 were invited to listen and join in. This has been a very fun music project and the children have come up with some excellent ideas. In science younger children have been continuing their work about plants and year 5 are learning about space.

We had an interactive history lesson on Thursday, where the children were challenged to create Stonehenge from classroom materials. First they learned about what Stonehenge is like - they were amazed to think that some of the stones are 7m tall and weigh 50 tonnes. They also found out that there is also a woodhenge nearby. We are looking forward to visiting our own local stone circle (although it's not quite on the same scale or design level as Stonehenge).

In Lowick Village Hall car park this
Saturday 11th October

**The Northumbrian Cider & Wine
Company**

is hosting the

Community Apple Day from 10am to 4pm

a fun and educational event,
bringing people together to celebrate
the apple harvest and raise funds for
the village.

You are invited to **donate your homegrown apples** to produce
delicious juice or traditional still cider for the benefit of the
village.

Watch the process in action: see the apple mill chopping your
apples and the hydraulic press releasing the fresh juice which
you will be able to sample on the day, before it is taken away for
pasteurisation.

The juice will then be transferred to the **Chapel Cidery at Etal**
for subsequent fermentation and bottling. Juice and cider with
Lowick's own customised labels will in due course be on sale
with **proceeds going towards Lowick's play park and
church.**

For £5 lunch will also be available between **12.00pm and
1.30pm** inside the village hall, courtesy of our local church's
Souper Saturday team.

**Join us on Saturday as we celebrate harvest, stop food
waste and support local causes!**

Lowick Apple Project

This Friday we picked (or collected from the windfall) the
apples on the school grounds to join in with the Lowick
Apple project. Please see the information on the 'What's
Going on in Lowick' facebook page about the
Northumbrian Cider & Wine Company hosting the
Community Apple Day at Lowick village hall on Saturday.

HM Government

Nursery - Make your funded hours go further.

The 30 hours of government
funded childcare from age 2 is a
great start, but we know your
family's schedule might need more
flexibility. With our flexible hours

options, you can top up your child's hours to perfectly suit your
working week. More time at Nursery means more opportunities
for your child to build friendships, explore new activities, and
develop essential skills in our enriching environment.

Please contact the school office if you would like to arrange
extra sessions as and when needed and we will do our best to
help.

Dates for your diary

Thursday 16th October - Stone Age investigation in our local area for years 1 - 5. We will be
