

Dear Parents and carers,

### **Update on 11<sup>th</sup> May 2020**

No doubt many of you will have seen the news about the easing of lockdown restrictions. The Prime Minister indicated that Reception and Year 1 children could return to school from 1st June at the earliest (given certain conditions).

As a Headteacher, I now need to seek more information, advice and guidance about how this can happen as safely as possible. It is concerning that anecdotal reports are reporting that children, especially younger children, are unable to consistently keep to the social distancing guidelines.

As I learn more, and I am able to put plans in place, I will share this with you to enable you to make a decision about whether you choose to send your child back or wait until a later date.

In the meantime, thank you so much for all of your support and good efforts during this very challenging time. I hope you and your families are safe and well.

Take care and best wishes,

*Rebecca*
