1st December 2023

After our successful STEM Day with Professor Brainstorm last week the children in class 2 have been working with circuits in science. They have enjoyed investigating how circuits work and creating their own.

We are also getting ready to perform our Christmas production of 'A Midwife Crisis' next week. Our **evening performance** will be at the Lowick Village Hall stage and please bring your children at **5pm on Thursday** (7th December) to get ready for a **5.30pm start**. We will also be doing an **afternoon performance on Friday** (8th December) at **2pm**. We hope you will be able to make it! As always, we ask you to be mindful that for the children this is quite a big deal and it can be daunting standing up in front of so many people. We are very proud of their efforts so far in rehearsal so we think you are in for a treat!

Some of our children cannot have their photos shared so we ask that you don't take photos of other people's children without express permission from their parents / carers at the performances. We will take photos of the children and share on our website the ones which we know are permissible to be put online.

Christmas Fair

Thank you for all of your support for our Christmas Fair, it was a huge success and we managed to raise an amazing**£608.83!!** We really appreciate everyone's efforts and this massively helps benefit our school, it allows the children to continue to have school trips free of charge. A special thank you to Miss Hay who works so hard to have everything perfect every year!
