4th July 2025

Thank you to everyone who came and supported our art exhibition this week. We hope you enjoyed seeing all of the different art forms and linked curriculum work that the children have produced this term and the previous half term.

It has been a pleasure to look back on what they accomplished with their Caribbean art projects including portraits and printing, their fantastic photography skills in computing and the many aspects of Viking artwork, exploring knotwork, creating jewellery and axes, writing poems and newspaper articles. We also enjoyed the simple and elegant landscapes created by Class 1 inspired by minimalist Scandinavian art and the seaside art created by nursery children. It was wonderful to see the gorgeous pieces made in our art club with the 3d installation. A huge thank you to Olive in particular for running our art club and supporting our exhibition as well as to all the staff who put so much time and effort into making our school a special place to work and play.

Whitehouse Farm reward trip

Please remember that we are having our reward trip to Whitehouse Farm on Monday. Children will need uniform tops to help us keep track of them. They will also need suitable clothing for being outdoors as well as a packed lunch or grab and go. We will be slightly late back and will do facebook updates on our journey to help support pick up times. There won't be a club on Monday as we are back late but child care is available as usual. We hope this will be a very fun and enjoyable day to reward our children for a year of hard work, kindness and 'journeying together'. Well done everyone!

St Cuthbert Centre's mosaic on Holy Island

On Wednesday morning, whilst cut off from the mainland, our Holy Island children visited Rev Kay at the St Cuthbert Centre to contribute towards their new mosaic which is going up in an archway on the outside of their building. It is lovely that our children get to leave a mark in a beautiful way for the community to enjoy.

STEM afternoon

Our forest school this week is having a 'science takeover' with themes about light and shadow as well as materials and their uses. We enjoy having practical experiences to help make science memorable and to engage in scientific thinking within each of our science learning themes..

Dates for your diary

Monday 7th July - whole school reward trip to Whitehouse Farm - we will be slightly late back - 3.30pm (so no club on this day - child care is available, please arrange through the school office as usual)

Monday 14th July - Summer fair and sports afternoon from 10.30am on Holy Island (Wednesday 16th is our back up date). No after school club after sports day but child care is available.

Tuesday 15th July - Skipping festival in Berwick - class 2

Thursday 17th July - RE Day on the theme of Pilgrimage across World Faiths.

Friday 18th July - 1.30pm end of year assembly and blessing, break up for the summer Holiday

Monday and Tuesday - 1st & 2nd September - teacher training days - no children in school
