

Hoopstarz

In the next few days your child will be taking part in one of our exciting Hoopstarz Days! After the buzz of a Hoopstarz Day, we often get numerous requests from children and parents of where they can buy a hula hoop.

The hula hoops we use are 36" in diameter, this makes the art of hula hooping easier, the size of hula hoop is rarely found in your local high street stores.

If you would like to, you will be able to purchase hula hoops from us at the end of your child's Hoopstarz Day.

The retail price is only £3.00

This is a great way to encourage your child to continue to be active at home and for them to be able to show off their new found talent.
