28th March 2024

Despite it being a shorter week we seemed to have packed in a lot over the four days. We would like to wish you all a very happy Easter and we hope you enjoy the holiday.

Easter experience at Lowick church

We are very grateful for the excellent interactive Easter experience hosted at Lowick church on Tuesday. The children were able to rotate between different stations within the church led by clergy and congregation members from both Lowick and Holy Island to tell the story of Holy Week and Easter.

We think the environmental t-shirts look really great. The children should be very proud of their work on this project. After care instructions as well as photos from the project can be found in the news pages on our website or [click here](#). The children have also created beautiful Easter themed stained glass window pictures which we have put into the photo gallery on our website ([click here to view](#)) as well as up on the windows around school.

Our penguin day was brilliant and the children made up excellent dances to go with the song about all the different kinds of penguin. Please see our website ([click here](#)) to enjoy the photos and the video! We are very proud of all of their effort and enthusiasm this term and we know that they have earned a good rest over the holidays before we plunge into a fun filled summer term!

Egg decorating competition

Well done for a stunning collection of decorated eggs this year. It was very hard to pick a winner but I am happy to share that the winners were Riley for KS2, Theo for KS1 and Polly for Early Years. The standard was incredibly high and very creative. Eggs by Max, Olivia, Cara, Rory, Ellis, Leo, Lily-Ella and Darcie were very highly commended for KS2. Noah, Keegan, Joel and Isaac were highly commended for KS1. Daisy, Violet, Sophie, Piper, Jack and Robert were highly commended for EYFS.
